Other Degree Requirements:

- **Physical Science** : History of the Universe, Science of Technology or equivalent
- **Life Science** : Life Science, Environmental Studies, Human Evolution or equivalent
- **Global Cultures**: Usually taken during the first year, options include African Cultures, East Asian Cultures, Caribbean Cultures, Latin American Cultures, Middle Eastern Cultures or South Asian Cultures
- **Language**: GLS has a language study requirement as well as a language proficiency requirement. Students must both attain proficiency through at least the intermediate level *and* study in the language of their junior year site during each semester at the site; in addition, students must have proficiency through the beginning level (normally courses I/II in a sequence, which may be taught in a single intensive semester) before studying at an international site

*Junior Year Away: A full academic year of [international study at a GLS site in the junior year](#) is required.
 GLS Residency Requirement:*

GLS students are required to spend the fall and spring semesters of both the sophomore and senior year in residence at the New York campus of NYU. Permission to spend any of these semesters in residence at any other site may only be granted by petition, under exceptional circumstances.
