

# Academic Advising

## Liberal Studies Core Program

### Advising Guide for Undecided Students

#### Required First Year, Fall Semester

- \_\_ Cultural Foundations I (4 credits), CFI-UF 101
- \_\_ Social Foundations I (4 credits), SFI-UF 101
- \_\_ Writing I (4 credits), WRI-UF 101
- \_\_ Natural Science I or II, barring AP Science (4 credits)

*You are encouraged to complete a Natural Science in the first semester (barring any AP Science credits) if you are undecided about your major or program of study. For further guidance, contact your Academic Advisor who will assist you in class selection.*

#### Required First Year, Spring Semester

- \_\_ Cultural Foundations II (4 credits), CFII-UF 102
- \_\_ Social Foundations II (4 credits), SFII-UF 102
- \_\_ Writing II (4 credits), WRII-UF 102
- \_\_ Elective, College Core Curriculum or Major Requirement (4 credits)

*Natural Science class options in Liberal Studies: History of the Universe, Science of Technology, or approved Natural Science I equivalent (4 credits) \*  
Life Science, Environmental Studies, or approved Natural Science II equivalent (4 credits) \**

#### Required Second Year\*

- \_\_ Cultural Foundations III (4 credits), CFIII-UF 103
- \_\_ Social Foundations III (4 credits), SFIII-UF 103
- \_\_ Elective, College Core Curriculum or Major/Minor Requirements (24 credits)

**64** Total Credits

*\*CF III and SF III are taken in alternating semester during sophomore year*

*\*One science **or** math class is required before transition out of The Core Program. However, requirements of the various NYU schools and programs vary, so it is suggested that you consult with your academic advisor. If you scored a 4 or 5 on an AP science exam, refer to the [AP Credit Equivalencies](#) or contact your academic advisor to discuss substitution for Natural Science I or II.*
